“THE REAL NATIONAL CHAMPIONSHIPS”

World All Star Team Point System

I have had several questions about how the All Star Team is chosen. I felt we should let you know the criteria we use. As you see, they are not just picked. They earn this prestigious position by wrestling in the nation’s Big Events! We are proud the events are looked upon as the best in the world. That aspect truly makes this All Star Team the top achievement a young wrestler can attain. We have great plans to take this achievement to even greater heights with awards for each wrestler who wins each weight class and have certificates for the runners-up.

Be sure to thank the companies that help us make this happen; FLO Wrestling, Zia Graphics, Nearfall, Wrestling USA and World of Wrestling. These people promote wrestling and your kids.

The following is a schedule of how the points are awarded for the World Series of Wrestling events to determine the 2017 All Star Team. A wrestler will be considered for the weight class he/she wrestled the most tournaments at. In the event of a tie, a wrestler will be put in the weight in which he/she earned the most points; however, all points will count. WOW will never encourage weight pulling.

2016 <u>Kickoff Classic</u>	2017 <u>Tulsa Nationals</u>	2017 <u>Reno Worlds</u>

In the event of a tie, we use the following criteria from the three events in sequence until there is no longer a tie.

1. Wrestler with the most head to head wins, if still tied;
2. Wrestler with the most wins on the championship side;
3. Wrestler with the most falls, if still tied;
4. Wrestler with the most major decisions; if still tied;
5. Wrestler with the most points scored.

Elementary and 15 & Under National Folkstyle Rankings

Presented by... FLO WRESTLING / WORLD OF WRESTLING / WRESTLING USA

World of Wrestling is proud to announce the 1st and only elementary and 15 & Under National Folkstyle Rankings... Presently consistent with the World All Star Qualifications.

This elite group is comprised of five age groups and seventy-two weight classes. Each individual athlete’s selection is based primarily upon their performance in the nation’s largest wrestling events. Each of the above companies’ representative formed a criteria for the qualifying National tournaments. The parameter is 1250 participants from at least 20 different states represented at each event. Presently the above WOW tournaments will be used.

Any company or group hosting an event that meets the above criteria, can petition in to be considered as a Wild Card Event. If these events have different age groups or weights, each individual competitor will only be considered in the category in which they wrestled in the WOW Wrestling tournaments. If they wrestle in more than one of the above events then their placement will fall under the same rules as the World All Star system. Watch our website, www.worldofwrestling-roller.com, for the names and points contributed for each of the new Wild Card tournaments. Each event will be responsible to e-mail to WOW, 1st through 3rd place finishers within one week of their event.
