

Dare to accept the challenge

**“THE REAL NATIONAL CHAMPIONSHIPS”**

**Girls World All Star Team Point System**

I have had several questions about how the Girls All Star Team is chosen. I felt we should let you know the criteria we use. As you see, they are not just picked. They earn this prestigious position by wrestling in the nation’s Big Events! We are proud the events are looked upon as the best in the world. That aspect truly makes this Girls All Star Team the top achievement a young wrestler can attain. We take this achievement to even greater heights with awards for each wrestler who wins each weight class.

Be sure to thank the companies that help us make this happen; FLO Wrestling, Nearfall, Wrestling USA and World of Wrestling. These people promote wrestling and your kids.

The following is a schedule of how the points are awarded for the World Series of Wrestling events to determine the 2020 Girls All Star Team. A wrestler will be considered for the weight class she wrestled the most tournaments at. In the event of a tie, a wrestler will be put in the weight in which she earned the most points; however, all points will count. WOW will never encourage weight pulling.

2019 Girls Kickoff Classic	2020 Girls Tulsa Nationals	2020 Girls Reno Worlds
1st - 9 points	1st - 10 points	1st - 11 points
2nd - 6 points	2nd - 7 points	2nd - 8 points
3rd - 3 points	3rd - 4 points	3rd - 5 points
4th - 2 points	4th - 3 points	4th - 4 points
OW - 2 points	OW - 3 points	OW - 4 points

2020 Girls Trinity Award winner - 5 points.

In the event of a tie, we use the following criteria from the three events in sequence until there is no longer a tie.

1. Wrestler with the most head to head wins, if still tied;
2. Wrestler with the most wins on the championship side;
3. Wrestler with the most falls, if still tied;
4. Wrestler with the most major decisions; if still tied;
5. Wrestler with the most points scored.

**Why not give your wrestler the chance of being ranked #1 in the Nation? World Series of Wrestling offers the ultimate test - see where you stand!**
