**Hard work beats
talent, when talent
doesn't work hard!**

I have been closely involved with elementary age thru high school age wrestling for over forty years, as a coach and as a certified official. The positive changes that have been made in wrestling concerning better age/weight divisions and weight control measures established in the secondary schools system have all helped to promote the great sport of wrestling.

In regards to Sportsmanship, big strides have been made in youth wrestling regarding the conduct of wrestlers and coaches but there is still work to be done. The NFHS has recognized this and has made Sportsmanship a point of emphasis in the Rules and Case Books.

Our sport is no different than other sports and we routinely see or experience examples of bad sportsmanship from contestants, coaches and parents. With this said it is up to each of us as parents, coaches, contestants and officials to look at what we teach our youth about Sportsmanship AND how we, as adults, exemplify what we teach and expect from our youth.

Sportsmanship not only starts at home but must also be taught and learned from coaches and other important figures in all sports.

– TO BE THE BEST...YOU MUST WRESTLE THE BEST! –

Tulsa Nationals opening ceremonies.

Dear Friends,

Welcome to Kickoff Classic, the 1st leg of the Trinity Award, and qualifier for the World All Star Team and National Youth Rankings. Hope you have a GREAT TOURNAMENT!

I am more excited about the Trinity Award, both boys and girls, than any ever given in my 40+ years of running national events. Yes, the very expensive, prestigious trophy is truly the ultimate triple crown achievement. All you have to do to achieve this honor is win all three of the following tournaments: the Kickoff Classic, the Tulsa Nationals, and the Reno World Championships. This will not be an easy task but that is why the award is so great. Only a few wrestlers accomplished this honor last season. Who knows...you could be next! Also, be ranked #1 in the nation by placing in this and other World of Wrestling events.

Jack Roller, Tournament Director

— WORLD OF WRESTLING DIRECTORS —

Jack Roller – *Executive Director*. Without ever wrestling a match, Jack's life for the past 40 years has been consumed by wrestling. Beginning as a wrestling parent, he has gone on to become the holder of many positions of authority in Oklahoma wrestling such as regional and state Director of the Oklahoma Kids Wrestling Association. He has successfully directed numerous prestigious national kids wrestling tournaments including the largest and most prestigious kids tournament in the country, the Tulsa Nationals. He has directed many AAU National Championships.

In 1995, he was selected as the recipient of the City of Tulsa's "Local Hero" award for his contributions to the Tulsa community. In 2004 he was chosen by Wrestling USA Magazine for the Master of Wrestling Award as their "Man of the Year". In December of 1995, he received the Lifetime Service Award and entered into the National Wrestling Hall of Fame.

Shane Roller – *Executive Director*. Shane wrestled in his first Tulsa Nationals at the age of 5, and he won 8 consecutive Tulsa Nationals titles throughout his elementary career. He won 12 state championships including 4 high school state titles. He wrestled in college for Oklahoma State University, where he was a 3x All-American. Shane is married to Jennifer, and they have 2 boys and 2 girls. He has been helping with World of Wrestling events for over a decade.

Tom Holland – *Director of Officials*. Currently serving as Director of Officials for World of Wrestling. Coached Youth and Jr. High wrestling programs for eight (8) years. Officiating experience includes: Over three decades of High School officiating which includes numerous Oklahoma team Duals and season tournaments, post season qualifying and State Championship tournaments. Numerous Beast of The East tournaments, Reno Tournament of Champions tournaments, NWCA tournaments, AAU Folkstyle tournaments, AAU Disney Duel tournaments and AAU Folkstyle Official of the year recognition. As Director of Officials the duties include mat set-up and markings, hiring officials, supervising weigh-in procedures, mat and floor crowd control, safety issues and Head Officials responsibilities at World of Wrestling events. Tom also received the Lifetime Service Award and entered into the National Wrestling Hall of Fame.

Steve Dalton – *Director of Tournament Operations*. He has been involved in wrestling since the 1990s. He has been an OKWA wrestling official for many years. He is essential in the overall operations of World of Wrestling. Steve's duties include pre-event coordinator, post-event coordinator, tournament operations, floor control, organization of mats and tables.

Curtis Stephens – *Director of Special Operations*. Curtis

started wrestling career as a member of Sallisaw High School team in 1952. He registered as a wrestling referee in 1959. He began coaching in 1972 at Henthorne Recreational Center in south Tulsa. He moved to Sallisaw in 1974 and began the Sallisaw Elementary Club. He has accumulated a total of 32 years as a youth wrestling coach. He has attended in excess of 450 collegiate style wrestling tournaments and over 50 freestyle tournaments. He has been instrumental in the instruction to wrestlers in his program that have advanced to the Division I level. If you should question his authority, remember, "This is not his first rodeo!" His duties include trophy assembly, floor assistant, hospitality assistant, and coaches' packets assistant.

Rob Rogers – *IT Director*. Rob wrestled since elementary school, through junior high and high school. He wrestled for Foster, East Tulsa Cardinals and East Central High School, graduating in 1982. He left the life of wrestling after high school and began riding bulls and working rodeos. After Jake was born in 1987 he quit riding bulls but continued to work rodeos. When the boys got older (1999) and wanted to wrestle, Rob was, to say the least, ecstatic since wrestling was his first love. Since Beggs didn't have a youth wrestling program, they drove to Bixby where he quickly got involved with the program and helped coach. In 2001 Rob and his family moved to Owasso and Rob was assistant coach for a couple years and was interim junior high coach for a year, then he moved up to head coach and received the distinct honor of Northeast Oklahoma Wrestling Coach of the Year, which all consider a huge honor. Rob can be seen at mat side of kids from all around, supporting them and sometimes helping coach. He is definitely one person you can say is in it for the kids. Rob is married to Laura and they have 3 sons, Jake, Tyler and Chance, and one beautiful granddaughter, Jada Shelby.

Brandon Kearns – *Director of Operational Strategies*. Brandon has been involved with WOW since 2009. His involvement goes beyond the mat with behind the scene duties of out of season promotions, set ups, and staging of equipment along with manpower. Brandon's primary duty is to oversee tournament flow and schedule. Brandon is married to Amber, and they reside in Glenpool. They have two wonderful children, Braxton and Madison. Their passion for the sport of wrestling is deeply rooted in Oklahoma because of the people they have met and memories they have created along the way that will last them a lifetime. Brandon is passionate about athletes excelling in the sport of wrestling.

"MISSION STATEMENT:

Dedicated to the promotion of America's youth and the great sport of wrestling...

“THE REAL NATIONAL CHAMPIONSHIPS”

World All Star Team Point System (Open & Girls Teams)

I have had several questions about how the All Star Team is chosen. I felt we should let you know the criteria we use. As you see, they are not just picked. They earn this prestigious position by wrestling in the nation’s Big Events! We are proud the events are looked upon as the best in the world. That aspect truly makes this All Star Team the top achievement a young wrestler can attain. We take this achievement to even greater heights with awards for each wrestler who wins each weight class.

Be sure to thank the companies that help us make this happen; FLO Wrestling, Nearfall, Wrestling USA and World of Wrestling. These people promote wrestling and your kids.

The following is a schedule of how the points are awarded for the World Series of Wrestling events to determine the 2025 All Star Team. A wrestler will be considered for the weight class he/she placed the most tournaments at . In the event of a tie, a wrestler will be put in the weight in which he/she earned the most points; however, all points will count. WOW will never encourage weight pulling.

2024 Kickoff Classic	2025 Tulsa Nationals	2025 Reno Worlds
1st - 9 points	1st - 10 points	1st - 11 points
2nd - 6 points	2nd - 7 points	2nd - 8 points
3rd - 3 points	3rd - 4 points	3rd - 5 points
4th - 2 points	4th - 3 points	4th - 4 points
5th - 1 point	5th - 2 points	5th - 3 points
6th - .5 point	6th - 1 point	6th - 2 point
OW - 2 points	OW - 3 points	OW - 4 points

2025 Trinity Award winner - 5 points.

In the event of a tie, we use the following criteria from the three events in sequence until there is no longer a tie.

1. Wrestler with the most head to head wins, if still tied; wrestler with last head to head win
2. Wrestler with the most wins on the championship side; if still tied;
3. Wrestler with the most falls, if still tied;
4. Wrestler with the most major decisions; if still tied;
5. Wrestler with the most points scored.

Elementary and 15 & Under National Folkstyle Rankings

Presented by... WORLD OF WRESTLING / WRESTLING USA

World of Wrestling is proud to announce the 1st and only elementary and 15 & Under National Folkstyle Rankings... Presently consistent with the World All Star Qualifications.

This elite group is comprised of 5 age groups and seventy-two weight classes for the open division, and 4 age groups with thirty-two weight classes for the girls division. Each individual athlete’s selection is based upon their performance in World of Wrestling events.

We have updated our National Youth Rankings in an attempt to give the most accurate representation of the best youth wrestlers in the country. The new National Youth Rankings will now use the same point system associated with the World All Star Team. We feel these rankings will be a great National representation due to the large amount of states represented at each of World of Wrestling’s events. Compete at the Kickoff Classic, Tulsa Nationals, and Reno Worlds events to earn points towards the National Youth Rankings.

The World All Star team will only rank the top 2; however, the National Youth Rankings will rank the top 5 wrestlers in the nation based on our point system.

Why not give your wrestler the chance of being ranked #1 in the Nation? World Series of Wrestling offers the ultimate test - see where you stand!

I have been closely involved with elementary age thru high school age wrestling for over forty years, as a coach and as a certified official. The positive changes that have been made in wrestling concerning better age/weight divisions and weight control measures established in the secondary schools system have all helped to promote the great sport of wrestling.

In regards to Sportsmanship, big strides have been made in youth wrestling regarding the conduct of wrestlers and coaches but there is still work to be done. The NFHS has recognized this and has made Sportsmanship a point of emphasis in the Rules and Case Books.

Our sport is no different than other sports and we routinely see or experience examples of bad sportsmanship from contestants, coaches and parents. With this said it is up to each of us as parents, coaches, contestants and officials to look at what we teach our youth about Sportsmanship AND how we, as adults, exemplify what we teach and expect from our youth.

Sportsmanship not only starts at home but must also be taught and learned from coaches and other important figures in all sports.

– Dedicated to the Promotion of America's Youth and the Great Sport of Wrestling –

Dear Parents,

Have you ever sat in the stands and watched how foolish some parent/coaches act during a wrestling match? How can they treat that child that way? How can they set an example of such poor sportsmanship in front of all these kids? Screaming at him and treating him like a dog is just another form of Child abuse! I wish someone would grab him and shake him the next time he has a bad day . . .

Have you ever thought or made some comments similar to these before? It's no secret that kids imitate their parents. In addition, they absorb the attitudes that they think lie behind their parents' actions. Just as you don't want him to embarrass you, don't embarrass him.

How can you expect your son to develop a healthy perspective about competing and winning if you display an unhealthy one? Remember - Kids Wrestling is supposed to be for fun and fundamentals. Winning will in time take care of itself.

Some parents seem to think that the principles of child rearing do not apply when their son is participating in sports. Of course, this is false. Just as your son's home, school, and church environment affect the type of person he will be, so does his sport environment. Remember this:

If your son lives with criticism, he learns to condemn.

If your son lives with hostility, he learns to fight.

If your son lives with fear, he learns to be apprehensive.

If your son lives with encouragement, he learns to be confident.

If your son lives with praise, he learns to like himself.

If your son lives with recognition, he learns to have a goal.

If your son lives with honesty, he learns what trust is.

In my years associated with wrestling, I've served as an officer of our club, coach, Northeast Regional Director, TJWA President, State Tournament Director, Tulsa Nationals Director, State President and parent. The latter is by far the hardest... The parent must swallow his pride when his son is humbled by a loss. The pain and disappointment is sometimes unbearable. I'm convinced when our own son is involved, we have to learn all those "great qualities" all over again. This sport offers qualities such as sportsmanship, humility, character, self-confidence and self dependence.

I challenge each of you to remember that when your son wins, he really doesn't need you. It's when he loses that he needs the hug and the words of encouragement.

Through all the years of campaigns such as the wars against fair weight and age classes, six and under division, regional boundary alignments, birth certificates, child abuse and weight pulling, none have been greater than that of sportsmanship because, believe me, little Johnny is following in your footsteps.
