HISTORY

In 1955 Tulsa, the hotbed of Oklahoma high school wrestling, had only one organized wrestling team below the high school level. That one team was an independent operating outside of the school system as does all junior wrestling in Tulsa. In order to build a strong junior program, a group of concerned individuals started an open tournament in 1956. At the first tournament, elementary and junior high wrestlers participated in the same division. The following year the tournament was divided into elementary and junior high divisions and was called the Junior Olympics. Now the format is 6, 8, 10, 12, and 15 year olds and under.

The NATIONALS has grown from its infancy of 1955 to one of the largest and most prestigious junior tournaments in the country. Each year it attracts approximately 2000 young wrestlers from throughout the United States. This year, the tournament will be conducted on 11 mats. We will have the grandest of opening and closing ceremonies. Former Tulsa NATIONALS champions have gone on to become outstanding wrestlers in national and international competition. It is the goal of the NATIONALS not to provide the largest tournament, but one with outstanding competition and the best possible conditions for young wrestlers to compete. The challenge to each of you is to participate in a tournament which is so rich in tradition and to encourage you to strive to be the best you can be. **“DARE TO ACCEPT THE CHALLENGE”!**

When the boys got older (1999) and wanted to wrestle, Rob was, to say the least, ecstatic since wrestling was his first love. Since Beggs didn’t have a youth wrestling program, they drove to Bixby where he quickly got involved with the program and helped coach. In 2001 Rob and his family moved to Owasso and Rob was assistant coach for a couple years and was interim junior high coach for a year, then he moved up to head coach and received the distinct honor of Northeast Oklahoma Wrestling Coach of the Year, which all consider a huge honor. Rob can be seen at mat side of kids from all around, supporting them and sometimes helping coach. He is definitely one person you can say is in it for the kids. Rob is married to Laura and they have 3 sons, Jake, Tyler and Chance, and one beautiful granddaughter, Jada Shelby.

Brandon Kearns – Director of Exchange Center. Brandon has been involved with WOW since 2009. His involvement goes beyond the mat with behind the scene duties of out of season promotions, set ups, and staging of equipment along with manpower. Brandon’s primary duty is to oversee tournament flow and schedule. Brandon is married to Amber, and they reside in Glenpool. They have two wonderful children, Braxton and Madison. Their passion for the sport of wrestling is deeply rooted in Oklahoma because of the people they have met and memories they have created along the way that will last them a lifetime. Brandon is passionate about athletes excelling in the sport of wrestling.

Kenny Giddens – Director of Operations. Kenny started wrestling at age 5 for Sand Springs youth club. He was an OSSAA State Placer for Mannford High School. After High School Kenny went on to fight MMA and win titles for multiple organizations. Kenny has coached wrestling at the club level for over 15 years and has been an assistant wrestling coach at Bixby High School since 2018. He has been a part of World of Wrestling event since 2017. Steve Dalton

Steve has been involved in wrestling since the 1990's, and been a director for World of Wrestling since 1992. He has been an OKWA wrestling official for many years. Steve is essential in the overall operations of World of Wrestling. His duties include pre-event coordinator, post-event coordinator, tournament operations, floor control organization of mats and tables.

Steve is truly essential in all facets of running this great event. As Director of Tournament Operations, he is the one that is always there for the loading and unloading and all that's in between of each World of Wrestling event. A true friend to all of wrestling and absolutely deserving of such a great honor.

John Smith

Nobody has put together a more celebrated wrestling career than John Smith. Smith won six world championships from 1988-92, and is one of the winningest coaches at the most successful wrestling program in the country.

John was a three-time NCAA finalist, winning two titles. Following Smith's junior year at Oklahoma State, he won his first world championship in Clermont-Ferrand France. Smith remains the only collegiate wrestler to win a world championship while he was still in school.

Following his graduation in 1988, Smith qualified for the U.S. Olympic freestyle team. The Olympics were held in Seoul, South Korea. Smith came away with the gold medal and the second of his six consecutive world titles.

Smith continued to rack up awards and medals after he finished his college career. He was the first wrestler to receive the James E. Sullivan Award given to the nation's top amateur athlete. The U.S. Olympic Committee named him the "Sportsman of the Year" in 1990.

In 1992, Smith was named the Outstanding Wrestler of the Year by FILA, the governing body of amateur wrestling. His wrestling career came to an end later that year after he won his second Olympic gold medal in Barcelona, Spain, and his last of six world championships.

As Head coach, Smith has successfully resuscitated the program back from its darkest hour in the early 90s to the glory that it is experiencing now. Oklahoma State has now won four consecutive national titles, continuing the legacy of Oklahoma State Wrestling. John Smith has said that winning the Tulsa Nationals (formerly the Junior Olympics) twice was certainly the highlight of his young career. He said it was the confidence builder that he needed to succeed in wrestling. He has presented awards and made special guest appearances over the last 12 years. He is a true friend to Tulsa Nationals and certainly deserving of such recognition.

A.L. Haizlip

He served as principal announcer for the 2006 ESPN-U Wrestling Double header. He has served as principal announcer for the National Collegiate Wrestling Association National Championships since 2004.

A.L. has been the voice of Oklahoma University wrestling since 1992, World of Wrestling since 1996, the Big XII Wrestling tournament, Oklahoma City University Wrestling, USA Wrestling National Junior Duals and AAU Wrestling national tournaments. He has served as a member of the Board of Directors of World of Wrestling since 1999. The professionalism he has brought to the Tulsa Nationals for 11 years as an announcer and director has earned him the distinct honor of entering the Tulsa Nationals Hall of Fame.

A.L. has been involved in the sport of wrestling since 1962 as a competitor, wrestling official, coach and public address announcer. His passion for the sport of wrestling and the life lessons the sport teaches young men and women, motivates him to travel from coast to coast, producing wrestling events, opening and closing ceremonies, and music and light shows that make wrestling tournaments spectacular.

He has served as a principal announcer for the National Wrestling Hall of Fame and Museum, and the National Wrestling Coaches Association All Star match. He has also served as media moderator, and has produced musical introductions and entertainment for the NCAA Division I Wrestling Championships.

Paul McCain

In 1972 Paul started his 34 years of service in wrestling with his local Sapulpa Wrestling Club. He has coached for over 27 years and held the position of President with Sapulpa. He is one of the few that can say he attended the first Oklahoma Kids Wrestling Association meeting held in 1979. He was instrumental in forming this great association which many have, and continue to, benefit from each year. Paul joined the Tulsa Nationals team over 20 years ago and has been a Director for the last 16 years. You never see him center stage or out on the mats directing. He was the nuts and bolts behind the scenes of this great event. A great detail organizer whose absence will be missed dearly and he is certainly deserving of this prestigious recognition.

David Alexander

David Alexander wrestled at Tulsa Nationals when it was US Junior Olympics 3 times. David coached at Tulsa Nationals 2 years, 1988 and 89. During his coaching and refereeing years he has seen many of the novice wrestlers he coached placing at Tulsa Nationals and State and go on to wrestle in college. David started wrestling at the age of 12 for the YMCA in Tulsa and continued wrestling through high school at East Central. He became involved in wrestling again when his youngest son, Beau, started wrestling for Tiger Wrestling Club in Broken Arrow. David became an assistant coach for TWC and coached the Novice wrestlers in 1988 and 1989. After 2 years of coaching, David decided it was time to get more involved in another area of wrestling. He knew there was a need for referees and felt he could make a bigger contribution to wrestling by becoming a referee. In 1990 David gave up his coaches' chair in the corner of the mat for a referee whistle.

Rusty Fulps

Rusty Fulps was a very dear friend to World of Wrestling, and Bev and I. We lost him on June 18, 2017. He worked for us for over 21 years and was one of our directors for almost half of that time. He did our printing and was over our vendors at all of our events. Rusty was a man that worried about anyone new that came on board with us. He wanted everyone to feel welcome and not like an outsider. He deeply cared for his loving children and parents, as well as his baseball and wrestling family. Simply put, Rusty was a great person that was loved by many and will never be forgotten.

8G Team Champions - Team Aloha – HI – 32 Points

I have been closely involved with elementary age thru high school age wrestling for over forty years, as a coach and as a certified official. The positive changes that have been made in wrestling concerning better age/weight divisions and weight control measures established in the secondary schools system have all helped to promote the great sport of wrestling.

In regards to Sportsmanship, big strides have been made in youth wrestling regarding the conduct of wrestlers and coaches but there is still work to be done. The NFHS has recognized this and has made Sportsmanship a point of emphasis in the Rules and Case Books.

Our sport is no different than other sports and we routinely see or experience examples of bad sportsmanship from contestants, coaches and parents. With this said it is up to each of us as parents, coaches, contestants and officials to look at what we teach our youth about Sportsmanship AND how we, as adults, exemplify what we teach and expect from our youth.

Sportsmanship not only starts at home but must also be taught and learned from coaches and other important figures in all sports.

– TO BE THE BEST...YOU MUST WRESTLE THE BEST! –

Tulsa Nationals opening ceremonies.

Dear Friends,

Welcome to Kickoff Classic, the 1st leg of the Trinity Award, and qualifier for the World All Star Team and National Youth Rankings. Hope you have a GREAT TOURNAMENT!

I am more excited about the Trinity Award, both boys and girls, than any ever given in my 40+ years of running national events. Yes, the very expensive, prestigious trophy is truly the ultimate triple crown achievement. All you have to do to achieve this honor is win all three of the following tournaments: the Kickoff Classic, the Tulsa Nationals, and the Reno World Championships. This will not be an easy task but that is why the award is so great. Only a few wrestlers accomplished this honor last season. Who knows...you could be next! Also, be ranked #1 in the nation by placing in this and other World of Wrestling events.

Jack Roller, Tournament Director

— WORLD OF WRESTLING DIRECTORS —

Jack Roller – *Executive Director*. Without ever wrestling a match, Jack's life for the past 40 years has been consumed by wrestling. Beginning as a wrestling parent, he has gone on to become the holder of many positions of authority in Oklahoma wrestling such as regional and state Director of the Oklahoma Kids Wrestling Association. He has successfully directed numerous prestigious national kids wrestling tournaments including the largest and most prestigious kids tournament in the country, the Tulsa Nationals. He has directed many AAU National Championships.

In 1995, he was selected as the recipient of the City of Tulsa's "Local Hero" award for his contributions to the Tulsa community. In 2004 he was chosen by Wrestling USA Magazine for the Master of Wrestling Award as their "Man of the Year". In December of 1995, he received the Lifetime Service Award and entered into the National Wrestling Hall of Fame.

Shane Roller – *Executive Director*. Shane wrestled in his first Tulsa Nationals at the age of 5, and he won 8 consecutive Tulsa Nationals titles throughout his elementary career. He won 12 state championships including 4 high school state titles. He wrestled in college for Oklahoma State University, where he was a 3x All-American. Shane is married to Jennifer, and they have 2 boys and 2 girls. He has been helping with World of Wrestling events for over a decade.

Tom Holland – *Director of Officials*. Currently serving as Director of Officials for World of Wrestling. Coached Youth and Jr. High wrestling programs for eight (8) years. Officiating experience includes: Over three decades of High School officiating which includes numerous Oklahoma team Duals and season tournaments, post season qualifying and State Championship tournaments. Numerous Beast of The East tournaments, Reno Tournament of Champions tournaments, NWCA tournaments, AAU Folkstyle tournaments, AAU Disney Duel tournaments and AAU Folkstyle Official of the year recognition. As Director of Officials the duties include mat set-up and markings, hiring officials, supervising weigh-in procedures, mat and floor crowd control, safety issues and Head Officials responsibilities at World of Wrestling events. Tom also received the Lifetime Service Award and entered into the National Wrestling Hall of Fame.

Steve Dalton – *Director of Tournament Operations*. He has been involved in wrestling since the 1990s. He has been an OKWA wrestling official for many years. He is essential in the overall operations of World of Wrestling. Steve's duties include pre-event coordinator, post-event coordinator, tournament operations, floor control, organization of mats and tables.

Curtis Stephens – *Director of Special Operations*. Curtis

started wrestling career as a member of Sallisaw High School team in 1952. He registered as a wrestling referee in 1959. He began coaching in 1972 at Henthorne Recreational Center in south Tulsa. He moved to Sallisaw in 1974 and began the Sallisaw Elementary Club. He has accumulated a total of 32 years as a youth wrestling coach. He has attended in excess of 450 collegiate style wrestling tournaments and over 50 freestyle tournaments. He has been instrumental in the instruction to wrestlers in his program that have advanced to the Division I level. If you should question his authority, remember, "This is not his first rodeo!" His duties include trophy assembly, floor assistant, hospitality assistant, and coaches' packets assistant.

Rob Rogers – *IT Director*. Rob wrestled since elementary school, through junior high and high school. He wrestled for Foster, East Tulsa Cardinals and East Central High School, graduating in 1982. He left the life of wrestling after high school and began riding bulls and working rodeos. After Jake was born in 1987 he quit riding bulls but continued to work rodeos. When the boys got older (1999) and wanted to wrestle, Rob was, to say the least, ecstatic since wrestling was his first love. Since Beggs didn't have a youth wrestling program, they drove to Bixby where he quickly got involved with the program and helped coach. In 2001 Rob and his family moved to Owasso and Rob was assistant coach for a couple years and was interim junior high coach for a year, then he moved up to head coach and received the distinct honor of Northeast Oklahoma Wrestling Coach of the Year, which all consider a huge honor. Rob can be seen at mat side of kids from all around, supporting them and sometimes helping coach. He is definitely one person you can say is in it for the kids. Rob is married to Laura and they have 3 sons, Jake, Tyler and Chance, and one beautiful granddaughter, Jada Shelby.

Brandon Kearns – *Director of Operational Strategies*. Brandon has been involved with WOW since 2009. His involvement goes beyond the mat with behind the scene duties of out of season promotions, set ups, and staging of equipment along with manpower. Brandon's primary duty is to oversee tournament flow and schedule. Brandon is married to Amber, and they reside in Glenpool. They have two wonderful children, Braxton and Madison. Their passion for the sport of wrestling is deeply rooted in Oklahoma because of the people they have met and memories they have created along the way that will last them a lifetime. Brandon is passionate about athletes excelling in the sport of wrestling.

“THE REAL NATIONAL CHAMPIONSHIPS”

World All Star Team Point System (Open & Girls Teams)

I have had several questions about how the All Star Team is chosen. I felt we should let you know the criteria we use. As you see, they are not just picked. They earn this prestigious position by wrestling in the nation’s Big Events! We are proud the events are looked upon as the best in the world. That aspect truly makes this All Star Team the top achievement a young wrestler can attain. We take this achievement to even greater heights with awards for each wrestler who wins each weight class.

Be sure to thank the companies that help us make this happen; FLO Wrestling, Nearfall, Wrestling USA and World of Wrestling. These people promote wrestling and your kids.

The following is a schedule of how the points are awarded for the World Series of Wrestling events to determine the 2025 All Star Team. A wrestler will be considered for the weight class he/she placed the most tournaments at . In the event of a tie, a wrestler will be put in the weight in which he/she earned the most points; however, all points will count. WOW will never encourage weight pulling.

2024 Kickoff Classic	2025 Tulsa Nationals	2025 Reno Worlds
1st - 9 points	1st - 10 points	1st - 11 points
2nd - 6 points	2nd - 7 points	2nd - 8 points
3rd - 3 points	3rd - 4 points	3rd - 5 points
4th - 2 points	4th - 3 points	4th - 4 points
5th - 1 point	5th - 2 points	5th - 3 points
6th - .5 point	6th - 1 point	6th - 2 point
OW - 2 points	OW - 3 points	OW - 4 points

2025 Trinity Award winner - 5 points.

In the event of a tie, we use the following criteria from the three events in sequence until there is no longer a tie.

1. Wrestler with the most head to head wins, if still tied; wrestler with last head to head win
2. Wrestler with the most wins on the championship side; if still tied;
3. Wrestler with the most falls, if still tied;
4. Wrestler with the most major decisions; if still tied;
5. Wrestler with the most points scored.

Elementary and 15 & Under National Folkstyle Rankings

Presented by... WORLD OF WRESTLING / WRESTLING USA

World of Wrestling is proud to announce the 1st and only elementary and 15 & Under National Folkstyle Rankings... Presently consistent with the World All Star Qualifications.

This elite group is comprised of 5 age groups and seventy-two weight classes for the open division, and 4 age groups with thirty-two weight classes for the girls division. Each individual athlete’s selection is based upon their performance in World of Wrestling events.

We have updated our National Youth Rankings in an attempt to give the most accurate representation of the best youth wrestlers in the country. The new National Youth Rankings will now use the same point system associated with the World All Star Team. We feel these rankings will be a great National representation due to the large amount of states represented at each of World of Wrestling’s events. Compete at the Kickoff Classic, Tulsa Nationals, and Reno Worlds events to earn points towards the National Youth Rankings.

The World All Star team will only rank the top 2; however, the National Youth Rankings will rank the top 5 wrestlers in the nation based on our point system.

Why not give your wrestler the chance of being ranked #1 in the Nation? World Series of Wrestling offers the ultimate test - see where you stand!

10G Team Champions - Sebolt Wrestling – IA – 28 Points

I have been closely involved with elementary age thru high school age wrestling for over forty years, as a coach and as a certified official. The positive changes that have been made in wrestling concerning better age/weight divisions and weight control measures established in the secondary schools system have all helped to promote the great sport of wrestling.

In regards to Sportsmanship, big strides have been made in youth wrestling regarding the conduct of wrestlers and coaches but there is still work to be done. The NFHS has recognized this and has made Sportsmanship a point of emphasis in the Rules and Case Books.

Our sport is no different than other sports and we routinely see or experience examples of bad sportsmanship from contestants, coaches and parents. With this said it is up to each of us as parents, coaches, contestants and officials to look at what we teach our youth about Sportsmanship AND how we, as adults, exemplify what we teach and expect from our youth.

Sportsmanship not only starts at home but must also be taught and learned from coaches and other important figures in all sports.

Bill Scott

During 1977 the Tulsa Nationals lost a dear and respected friend in Bill Scott. In October of 1977, Bill suffered a massive heart attack while officiating a junior high school football game. Until Tulsa Nationals for several years. Respected by coaches, wrestlers and fans, Bill always gave you a good match.

Bill Scott graduated from Tulsa Webster in 1925 and attended Oklahoma and Wyoming Universities on a wrestling scholarship. During the early 40's he assisted in coaching the Elton T. Bell and Sand Springs teams. He had officiated wrestling and football since 1946 and was truly one of the most dedicated officials in the Tulsa area. This year's Nationals are proudly dedicated to the memory of Bill Scott. His contribution to the Tulsa Nationals will be long remembered.

The Nationals are proud to name the Outstanding Elementary 11-12 Wrestler in memory of our friend, Bill H. Scott.

Lee Pittman

The Junior High outstanding wrestler award is named the "Lee Pittman Memorial Award" in honor of a young man who was a product of the Tulsa Junior Wrestling Program. Lee Pittman graduated from the University of New Mexico in 1974 while attending scholarship. His competitive spirit, dedication, character and attitude exemplified the principles of the Tulsa Junior Wrestling Program.

The Adamson's
The boys had an outstanding year, we started out a little slow in the starting of the season, but once the boys moved back to New Mexico in January and began training hard every day, it allowed them to finish the season at or near the top of every National tournament they were in.
The boys competed in 38 tournaments that took them to 14 different states in the United States and Mexico. The season ended with the boys competing in Waterloo, Iowa for the USA Greco and Freestyle Nationals. Ace took 9th in Greco, Dak took 2nd in Greco and 1st in Freestyle, Riley placed 1st in both Greco and Freestyle, and Trey took 2nd in Greco and Freestyle. The boys were invited to compete in the International Judo Tournament in Juarez, Mexico July 13-15 and they all individually placed 1st. And of 700 entrants from 6 states in Mexico the boys placed 2nd as a team! The boys also had the opportunity to run in a few track meets including New Mexico State Championships.
Ace finished: 114-42 with 77 pins.
Dak finished: 146-14 with 66 pins.
Riley finished: 174-5 with 137 pins.
Trey finished: 154-31 with 100 pins.

A Special "Thank You" to the W.O.W. Girls...

Unusually they had given approximately 20 years of their lives to the Tulsa Nationals. It's not from the words to cover the very heart of all their Tulsa addresses. We will be there to see their faces and to see the love in their eyes. We will be there to see their faces and to see the love in their eyes. We will be there to see their faces and to see the love in their eyes.
