We've Earned a Top Spot (again) in U.S. News & World Report's Best Medical Schools Rankings

73% of OSU College of Osteopathic Medicine graduates are practicing in medical deserts, according to U.S. News data.

We're proud to say we've done it again. U.S. News & World Report's 2025 Best Medical Schools rankings has once again named OSU Center for Health Sciences No. 1 in graduates practicing in Health Professional Shortage Areas. And we're ranked No. 11 nationally for graduates practicing in rural areas.

We are educating physicians in the heart of Tulsa, and in rural Oklahoma at our Cherokee Nation campus in Tahlequah.

With a mission to educate physicians for rural and underserved populations in Oklahoma, this news is just another confirmation we are making good on that promise.

**Hard work beats
talent, when talent
doesn't work hard!**

I have been closely involved with elementary age thru high school age wrestling for over forty years, as a coach and as a certified official. The positive changes that have been made in wrestling concerning better age/weight divisions and weight control measures established in the secondary schools system have all helped to promote the great sport of wrestling.

In regards to Sportsmanship, big strides have been made in youth wrestling regarding the conduct of wrestlers and coaches but there is still work to be done. The NFHS has recognized this and has made Sportsmanship a point of emphasis in the Rules and Case Books.

Our sport is no different than other sports and we routinely see or experience examples of bad sportsmanship from contestants, coaches and parents. With this said it is up to each of us as parents, coaches, contestants and officials to look at what we teach our youth about Sportsmanship AND how we, as adults, exemplify what we teach and expect from our youth.

Sportsmanship not only starts at home but must also be taught and learned from coaches and other important figures in all sports.

Welcome All . . .

We wish you the most memorable weekend of your lives. Through the lights and smoke of the grandest ceremonies – will emerge the Best Of The Best – they will be future NCAA Champs and Olympians. State tournaments will be easy after the Tulsa Nationals. Thanks from all our Directors.

"The many names of Tulsa Nationals:"

- The Granddaddy Of Them All!
- The Real National Championships!
- The Superbowl of Wrestling!
- The World Series of Wrestling!
- Formerly The Junior Olympics!
- The Toughest Tournament In The World!

— WORLD OF WRESTLING DIRECTORS —

Shane Roller – *Executive Director.* Shane wrestled in his first Tulsa Nationals at the age of 5, and he won 8 consecutive Tulsa Nationals titles throughout his elementary career. He won 12 state championships including 4 high school state titles. He wrestled in college for Oklahoma State University, where he was a 3x All-American. Shane is married to Jennifer, and they have 2 boys and 2 girls. He has been helping with World of Wrestling events for over a decade.

Tom Holland – *Director of Officials.* Currently serving as Director of Officials for World of Wrestling. Coached Youth and Jr. High wrestling programs for eight (8) years. Officiating experience includes: Over three decades of High School officiating which includes numerous Oklahoma team Duals and season tournaments, post season qualifying and State Championship tournaments. Numerous Beast of The East tournaments, Reno Tournament of Champions tournaments, NWCA tournaments, AAU Folkstyle tournaments, AAU Disney Duel tournaments and AAU Folkstyle Official of the year recognition. As Director of Officials the duties include mat set-up and markings, hiring officials, supervising weigh-in procedures, mat and floor crowd control, safety issues and Head Officials responsibilities at World of Wrestling events. Tom also received the Lifetime Service Award and entered into the National Wrestling Hall of Fame.

Steve Dalton – *Director of Tournament Operations.* He has been involved in wrestling since the 1990s. He has been an OKWA wrestling official for many years. He is essential in the overall operations of World of Wrestling. Steve's duties include pre-event coordinator, post-event coordinator, tournament operations, floor control, organization of mats and tables.

Brandon Wright – *Director of floor.* Brandon has been a part of the WOW family for over 10 years. He's married to Rebecca, and a loving father of 3; Jaxen, Randen & Brooklyn. His current role is floor director and his duties include mat set up, and floor security. He has been involved in the sport of wrestling for years whether coaching or supporting and cheering on the kids. He loves being involved with World of Wrestling and looks forward to spending many more years with them.

Rob Rogers – *IT Director.* Rob wrestled since elementary school, through junior high and high school. He wrestled for Foster, East Tulsa Cardinals and East Central High School, graduating in 1982. He left the life of wrestling after high school and began riding bulls and working rodeos. After Jake was born in 1987 he quit riding bulls but continued to work rodeos. When the boys got older (1999) and wanted to wrestle, Rob was, to say the least, ecstatic since wrestling was his first love. Since Beggs didn't have a youth wrestling program, they drove to Bixby where he quickly got involved with the program and helped coach. In 2001 Rob and his family moved to Owasso and Rob was assistant coach for a couple years and was interim junior high coach for a year, then he moved up to head coach and received the distinct honor of Northeast Oklahoma Wrestling Coach of the Year, which all consider a huge honor. Rob can be seen at mat side of kids from all around, supporting them and sometimes helping coach. He is definitely one person you can say is in it for the kids. Rob is married to Laura and they have 3 sons, Jake, Tyler and Chance, and one beautiful granddaughter, Jada Shelby.

Brandon Kearns – *Director of Exchange Center.* Brandon has been involved with WOW since 2009. His involvement goes beyond the mat with behind the scene duties of out of season promotions, set ups, and staging of equipment along with manpower. Brandon's primary duty is to oversee tournament flow and schedule. He has two wonderful children, Braxton and Madison. Brandon's passion for the sport of wrestling is deeply rooted in Oklahoma because of the people they have met and memories they have created along the way that will last them a lifetime. Brandon is passionate about athletes excelling in the sport of wrestling.

Kenny Giddens – *Director of Operations.* Kenny started wrestling at age 5 for Sand Springs youth club. He was an OSSAA State Placer for Mannford High School. After High School Kenny went on to fight MMA and win titles for multiple organizations. Kenny has coached wrestling at the club level for over 15 years and has been an assistant wrestling coach at Bixby High School since 2018. He has been a part of World of Wrestling event since 2017. Kenny is married to Ashley, and has 2 sons, Clay and Asher.

Steve Dalton

Steve has been involved in wrestling since the 1990's, and been a director for World of Wrestling since 1992. He has been an OKWA wrestling official for many years. Steve is essential in the overall operations of World of Wrestling. His duties include pre-event coordinator, post-event coordinator, tournament operations, floor control organization of mats and tables.

Steve is truly essential in all facets of running this great event. As Director of Tournament Operations, he is the one that is always there for the loading and unloading and all that's in between of each World of Wrestling event. A true friend to all of wrestling and absolutely deserving of such a great honor.

John Smith

Nobody has put together a more celebrated wrestling career than John Smith. Smith won six world championships from 1988-92, and is one of the winningest coaches at the most successful wrestling program in the country.

John was a three-time NCAA finalist, winning two titles. Following Smith's junior year at Oklahoma State, he won his first world championship in Clermont-Ferrand France. Smith remains the only collegiate wrestler to win a world championship while he was still in school.

Following his graduation in 1988, Smith qualified for the U.S. Olympic freestyle team. The Olympics were held in Seoul, South Korea. Smith came away with the gold medal and the second of his six consecutive world titles.

Smith continued to rack up awards and medals after he finished his college career. He was the first wrestler to receive the James E. Sullivan Award given to the nation's top amateur athlete. The U.S. Olympic Committee named him the "Sportsman of the Year" in 1990.

In 1992, Smith was named the Outstanding Wrestler of the Year by FILA, the governing body of amateur wrestling. His wrestling career came to an end later that year after he won his second Olympic gold medal in Barcelona, Spain, and his last of six world championships.

As Head coach, Smith has successfully resuscitated the program back from its darkest hour in the early 90s to the glory that it is experiencing now. Oklahoma State has now won four consecutive national titles, continuing the legacy of Oklahoma State Wrestling. John Smith has said that winning the Tulsa Nationals (formerly the Junior Olympics) twice was certainly the highlight of his young career. He said it was the confidence builder that he needed to succeed in wrestling. He has presented awards and made special guest appearances over the last 12 years. He is a true friend to Tulsa Nationals and certainly deserving of such recognition.

Rusty Fulps

Rusty Fulps was a very dear friend to World of Wrestling, and Bev and I. We lost him on June 18, 2017. He worked for us for over 21 years and was one of our directors for almost half of that time. He did our printing and was over our vendors at all of our events. Rusty was a man that worried about anyone new that came on board with us. He wanted everyone to feel welcome and not like an outsider. He deeply cared for his loving children and parents, as well as his baseball and wrestling family. Simply put, Rusty was a great person that was loved by many and will never be forgotten.

“THE REAL NATIONAL CHAMPIONSHIPS”

World All Star Team Point System (Open & Girls Teams)

I have had several questions about how the All Star Team is chosen. I felt we should let you know the criteria we use. As you see, they are not just picked. They earn this prestigious position by wrestling in the nation's Big Events! We are proud the events are looked upon as the best in the world. That aspect truly makes this All Star Team the top achievement a young wrestler can attain. We take this achievement to even greater heights with awards for each wrestler who wins each weight class.

Be sure to thank the companies that help us make this happen; FLO Wrestling, Nearfall, Wrestling USA and World of Wrestling. These people promote wrestling and your kids.

The following is a schedule of how the points are awarded for the World Series of Wrestling events to determine the 2026 All Star Team. A wrestler will be considered for the weight class he/she placed the most tournaments at . In the event of a tie, a wrestler will be put in the weight in which he/she earned the most points; however, all points will count. WOW will never encourage weight pulling.

<u>2025</u> Kickoff Classic	<u>2026</u> Tulsa Nationals	<u>2026</u> Reno Worlds
1st - 9 points	1st - 10 points	1st - 11 points
2nd - 6 points	2nd - 7 points	2nd - 8 points
3rd - 3 points	3rd - 4 points	3rd - 5 points
4th - 2 points	4th - 3 points	4th - 4 points
5th - 1 point	5th - 2 points	5th - 3 points
6th - .5 point	6th - 1 point	6th - 2 point
OW - 2 points	OW - 3 points	OW - 4 points

2026 Trinity Award winner - 5 points.

In the event of a tie, we use the following criteria from the three events in sequence until there is no longer a tie.

1. Wrestler with the most head to head wins, if still tied; wrestler with last head to head win
2. Wrestler with the most wins on the championship side; if still tied;
3. Wrestler with the most falls, if still tied;
4. Wrestler with the most major decisions; if still tied;
5. Wrestler with the most points scored.

Elementary and 15 & Under National Folkstyle Rankings

Presented by... WORLD OF WRESTLING / WRESTLING USA

World of Wrestling is proud to announce the 1st and only elementary and 15 & Under National Folkstyle Rankings...
Presently consistent with the World All Star Qualifications.

This elite group is comprised of 5 age groups and seventy-two weight classes for the open division, and 4 age groups with thirty-two weight classes for the girls division. Each individual athlete's selection is based upon their performance in World of Wrestling events.

We have updated our National Youth Rankings in an attempt to give the most accurate representation of the best youth wrestlers in the country. The new National Youth Rankings will now use the same point system associated with the World All Star Team. We feel these rankings will be a great National representation due to the large amount of states represented at each of World of Wrestling's events. Compete at the Kickoff Classic, Tulsa Nationals, and Reno Worlds events to earn points towards the National Youth Rankings.

The World All Star team will only rank the top 2; however, the National Youth Rankings will rank the top 5 wrestlers in the nation based on our point system.

- Dedicated to the Promotion of America's Youth and the Great Sport of Wrestling -

Dear Parents,

Have you ever sat in the stands and watched how foolish some parent/coaches act during a wrestling match? How can they treat that child that way? How can they set an example of such poor sportsmanship in front of all these kids? Screaming at him and treating him like a dog is just another form of Child abuse! I wish someone would grab him and shake him the next time he has a bad day . . .

Have you ever thought or made some comments similar to these before? It's no secret that kids imitate their parents. In addition, they absorb the attitudes that they think lie behind their parents' actions. Just as you don't want him to embarrass you, don't embarrass him.

How can you expect your son to develop a healthy perspective about competing and winning if you display an unhealthy one? Remember - Kids Wrestling is supposed to be for fun and fundamentals. Winning will in time take care of itself.

Some parents seem to think that the principles of child rearing do not apply when their son is participating in sports. Of course, this is false. Just as your son's home, school, and church environment affect the type of person he will be, so does his sport environment. Remember this:

- If your son lives with criticism, he learns to condemn.*
- If your son lives with hostility, he learns to fight.*
- If your son lives with fear, he learns to be apprehensive.*
- If your son lives with encouragement, he learns to be confident.*
- If your son lives with praise, he learns to like himself.*
- If your son lives with recognition, he learns to have a goal.*
- If your son lives with honesty, he learns what trust is.*

In my years associated with wrestling, I've served as an officer of our club, coach, Northeast Regional Director, TJWA President, State Tournament Director, Tulsa Nationals Director, State President and parent. The latter is by far the hardest... The parent must swallow his pride when his son is humbled by a loss. The pain and disappointment is sometimes unbearable. I'm convinced when our own son is involved, we have to learn all those "great qualities" all over again. This sport offers qualities such as sportsmanship, humility, character, self-confidence and self-dependence.

I challenge each of you to remember that when your son wins, he really doesn't need you. It's when he loses that he needs the hug and the words of encouragement.

Through all the years of campaigns such as the wars against fair weight and age classes, six and under division, regional boundary alignments, birth certificates, child abuse and weight pulling, none have been greater than that of sportsmanship because, believe me, little Johnny is following in your footsteps.
